

## 2026-27 - Sr Performing Company - AUDITION Registration Form

NAME: \_\_\_\_\_ D.O.B. \_\_\_\_\_ Grade 2026-27 \_\_\_\_\_

**Please** – add the dancer’s email in your portal so they receive all choreography videos, music and performance information.

**Ages 10-18 - Attending the Performance Camp in June serves as your AUDITION**  
**There is a mandatory Parent & Dancer meeting regarding this season the week of Aug 3. You must attend or send a proxy.**

**More than 3 absences from any required classes, SrCo rehearsal, performance or event will likely result in dismissal from SrCo.** \*The commitment you are making to Company and your fellow dancers is of utmost importance. *Recognize this when you opt for additional extra-curricular activities.*

**Not** including the upcoming season, I have been in Performing Company for \_\_\_\_\_ years. The Commitment Tiers I & II **are not based on level/ability**, but rather on the maturity and discipline of the student to commit a **considerable** amount of time to rehearsal and **at-home** practice, as well, there is additional financial commitment. *Director determines final placement of student’s readiness for Tier Level II and should be consulted if that is a new Level of participation for dancer.*

- **Level I** is intended both for newer members to SrCo and also those that wish to streamline their time and financial responsibilities while pursuing other interests.
- **Level II** dancers \*per Director discretion; will be placed in additional ensemble castings (ex: modern, tap, musical theatre, pointe, hip hop) beyond the customary full group production, jazz and ballet pieces that all members perform. Tier II Castings are at director’s discretion and include consideration of class genre enrollment.

I understand I am *required* to take the following classes:

**Please circle** which Tier you wish to participate, subject to director’s discretion:

- Commitment of classes for Tier I: Ballet and Jazz
- Commitment of classes for Tier II: Ballet, Jazz, C.O.R.E. and 1 additional class

*\*CORE recommended for all dancers over age 10 interested in improving technique, stamina, strength & flexibility.*

Rehearsals begin Aug 6 and occur every Thursday, 5:00-9:00; as well as a few Saturday or Sunday performance and/or rehearsal requirements. If you miss the rehearsal in which choreography is taught, you may forfeit your opportunity to be in that dance. Please list all conflicting dates for the entire year.
